

## IMC Club: Mastering the Art of Instrument Navigation

Believing that safety and proficiency are developed through education and experience. Monthly meetings use real world scenarios to engage our members and allow them to share and build their experience. At the meeting we will be discussing one of the real world IFR scenarios, and we will exercise our critical thinking and decision making process. You do not have to be instrument rated to attend. Click on the link below and register TODAY.

**Directions:** The meeting will be held in the main FBO Building conference room. Look for signs.
